### PART II TEACHING PLAN

#### Introduction

**ATTENTION:** Today, you will review two chapters in *AEROSPACE: The Journey of Flight* and expand upon the aerospace education material that you studied as you progressed through Phase I and II of the CAP program.

**MOTIVATION:** What you will learn in these lessons will continue to help you to understand future aerospace lessons and will enable you to be a better mentor.

**OVERVIEW:** During this period, we will study *AEROSPACE: The Journey of Flight*, Chapters 1 & 7. We will begin with a brief discussion of the lesson materials and then we will discuss the review questions.

**TRANSITION:** The instructor will review the material in *AEROSPACE: The Journey of Flight*, Chapters 1 & 7 beginning with an overview of the subject matter followed by a discussion of the review questions for each section. If the cadets have other questions relating to the material being discussed, encourage the cadets to ask questions at any time.

#### Body

**NOTE:** The instructor will use the review questions in the aerospace education material to aid in the discussion and review. Use other materials as needed to cover the required items.

#### Conclusion

**SUMMARY:** We have reviewed the material that expanded upon what you learned when you were in Phase I and II.

**REMOTIVATION:** It is important that you take advantage of these reviews so you will be better qualified to be an aerospace mentor and instructor.

**CLOSURE:** Next week, we will continue our aerospace education review. **Any questions? See you next week!**
